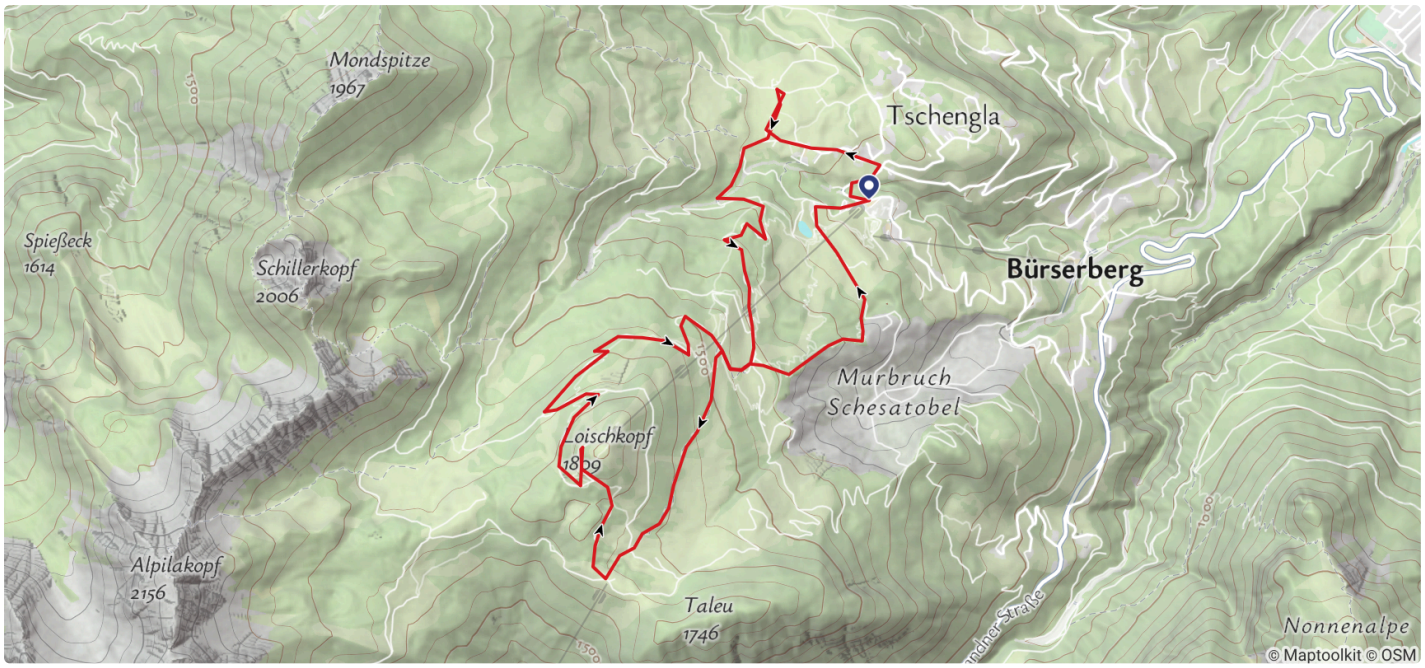
Culinary Tour | Bürserberg

MODERATE | REFRESHMENTS | PANORAMIC | ROUND TRIP



Tour description

With this culinary offer, the name says it all: be active and enjoy sports at the same time.

The start of the Bürserberg version of the "Culinary Pleasure Tour" is at the valley station of the **Loischkopfbahn**. There is also a large car park here where you can park your car.

From here, the first short stage leads you along the road, past the district of Dunza and the Tschengla hikers' car park up to the **Alpe Rona**. The team of the Alpe Rona will spoil you with fine regional specialities and especially home-made cheese during your first break. After the **first culinary highlight**, you continue towards the Burtschasattel to the **restaurant Frööd**. On the way, enjoy the fabulous views of the surrounding valleys and mountains. Continue a short distance back along the same path you came from. At the fork in the road at the Husky Toni Camp, turn right and follow the goods road towards the BERGRESTAURANT FUCHSBAU and Loischkopfbahn middle station. This section of the trail leads you up in several hairpin bends. Please note: This section of the trail is also a mountain bike and fun sports trail. Please hike along the side of the trail on this section and watch out for downhill mountain bikers.

The hiking trail leads short before the Loischkopfbahn middlestation to the **Klampera Alpe/Burtschasattel**. Behind the Klampera Alpe, a short climb through the forest leads directly up to the Burtschasattel and thus to the restaurant Frööd, the **second enjoyment stop** on this loop. Let the team at restaurant Frööd spoil you and enjoy the view from the terrace of the Rätikon mountains with the highest mountain, the Schesaplana.

After a longer second stage and a leisurely rest at the Burtschasattel, the route now continues briefly uphill to the Loischkopf before heading back downhill on the last stage and to what is already the last enjoyment stop. From the summit of the Loischkopf, the trail leads back along the same path for a short distance and then branches off to the right. From here, follow the hiking trail downhill until you reach the middle station of Loischkopfbahn. From there, the hiking trail leads below the BERGRESTAURANT FUCHSBAU, past the Rufana Alp, down to the **last pleasure station**, the restaurant Unicorn. Here, the sweet conclusion to this round of culinary delights awaits you.

Booking and reservations required. For more information, visit Culinary tours in the Brandnertal
