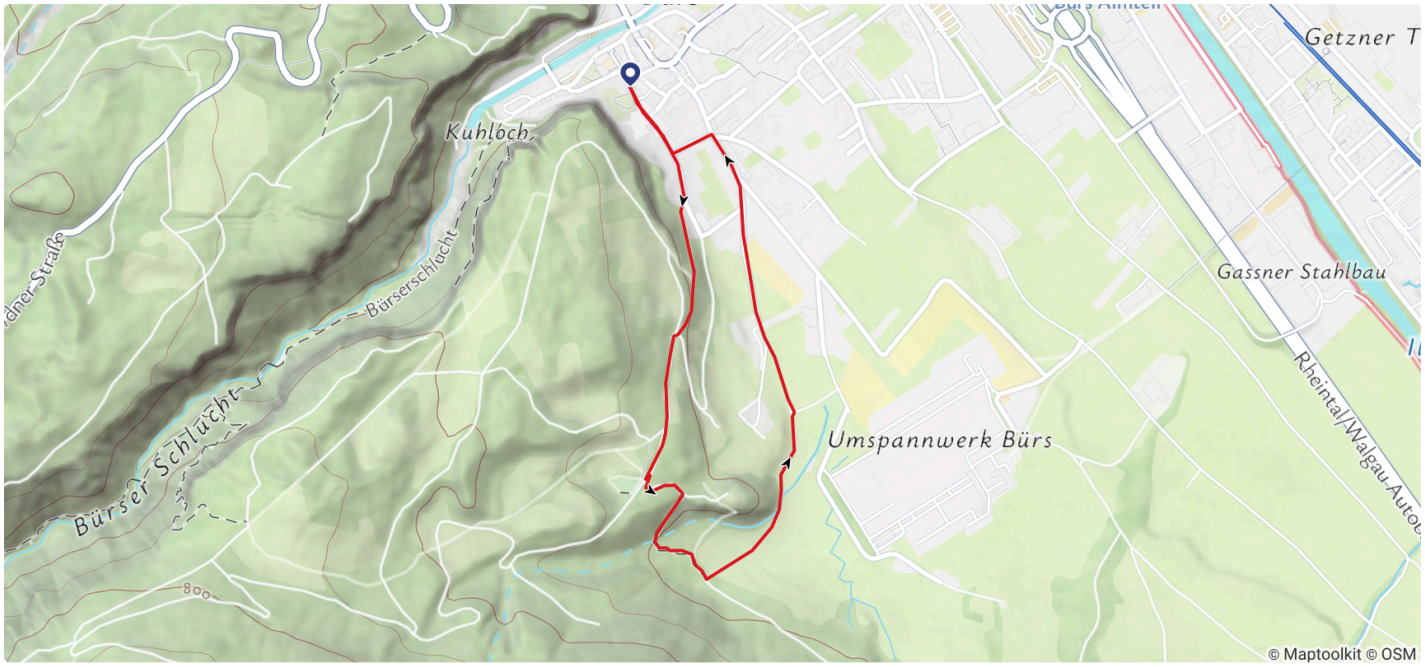
Circular trail "Biotop Schloss Rosenegg" | Bürs

EASY | REFRESHMENTS | FAMILY-FRIENDLY | CULTURAL / HISTORICAL | ROUND TRIP



Tour description

Easy circular hike to the biotope and the ruins of Rosenegg Castle in Bürs.

The tour starts at the municipal office in Bürs, past St. Martin's Church and along Obergasse to the turnoff into Schassweg. Here the trail branches off to the right. Via a forest path and further along a forest road, the route now goes briefly uphill towards Schasswiesen - small wooden huts - and on to the biotope. The short circular path around the biotope has been newly prepared and the benches invite you to linger. Return along the forest road to Rosenegg Castle. In front of the entrance gate of the ruins, follow the forest path to the right and hike downhill for a short distance. At the bottom, the path joins Hinterburgweg and you return via Werkstraße to the municipal office.

Alternative way back: Choose the same route as the ascent.
