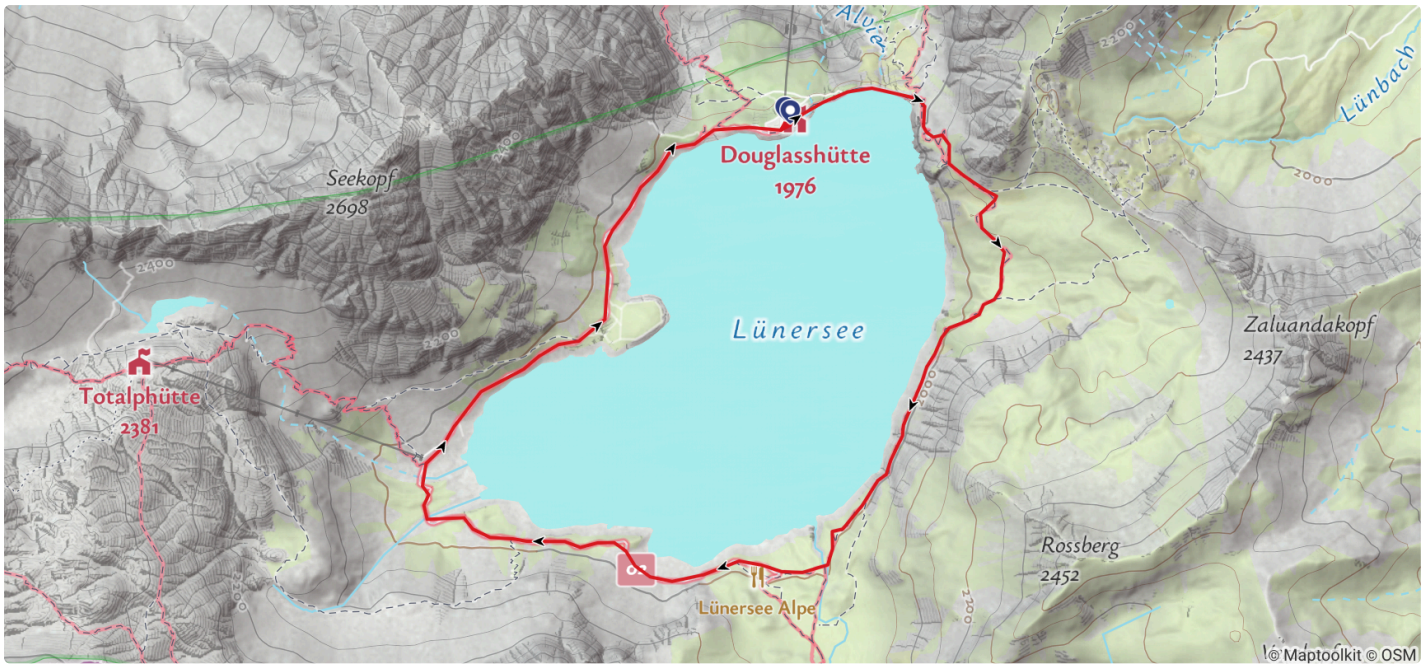
Lünersee circular trail | Brand

EASY | REFRESHMENTS | PANORAMIC | FAMILY-FRIENDLY | CABLE CAR ASCENT/DESCENT | ROUND TRIP



Tour description

The Lünersee circular trail is the ideal hike for families and offers fantastic views of the Lünersee and the Rätikon mountains.

The tour starts with the ascent with the Lünersee cable car. Once at the top, the Lünersee circular trail starts directly at the mountain station.

The circular trail can be walked in both directions:

If you start clockwise, there is a short climb at the beginning and the rest of the route is only downhill or flat around the lake.

In the opposite direction, the descent awaits you at the end. A stop halfway at the Alpe Lünersee or at the beginning or end of the hike at the Douglass Hut is worthwhile.

Return to the valley with the Lünersee cable car.
