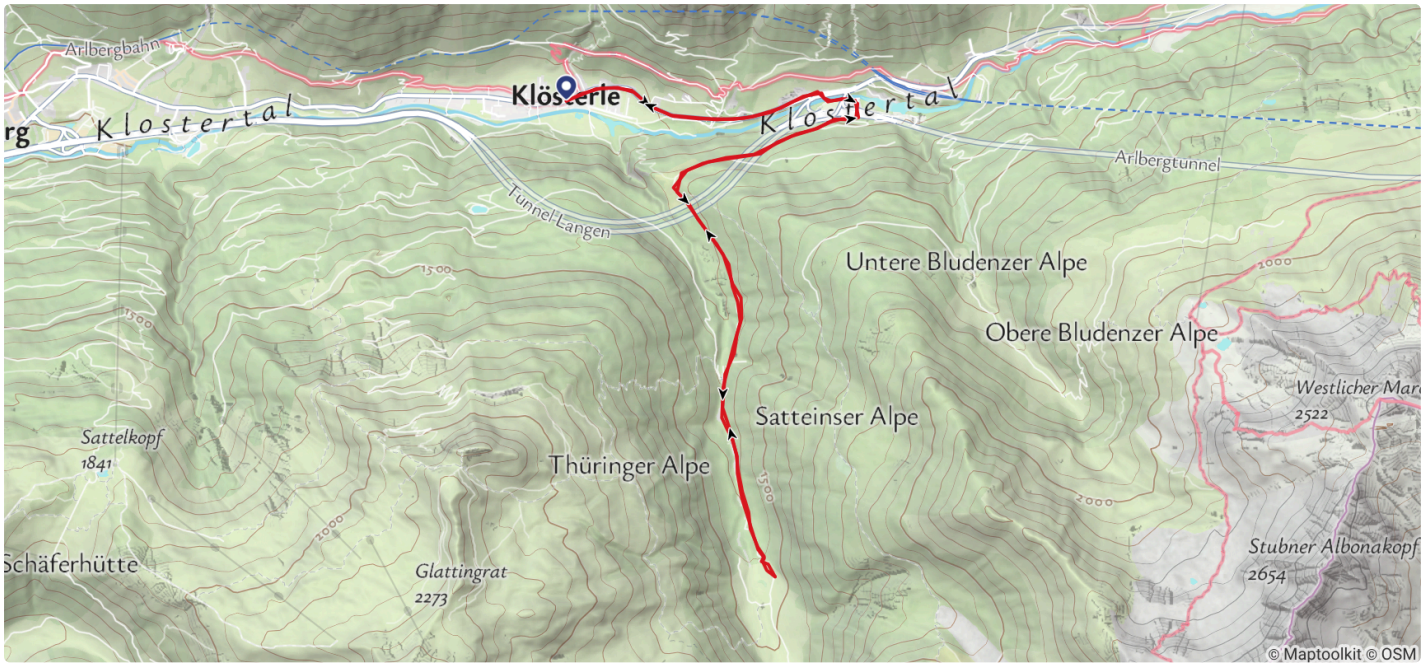
Nenzigast Alpe on bike | Klösterle am Arlberg

Klostertal Vorarlberg

MODERATE | REFRESHMENTS | THERE AND BACK



Tour description

The Nenzigasttal is a long and secluded alpine valley and reaches far into the Verwall. Along the rushing, turquoise-blue Nenzigastbach stream you reach the idyllic alpine pasture, where the hungry and thirsty can enjoy fresh, local alpine products.

From the centre of Klösterle am Arlberg, the MTB trail leads briefly along the main road into the valley to the Schmidt guesthouse in Langen am Arlberg. There you cross the road. From the road maintenance depot in Langen am Arlberg, the goods path leads into the picturesque Nenzigast valley. Return via the goods path down to the road maintenance depot of the Arlberg motorway near Langen am Arlberg. Follow the signs under the building and continue on the road to the Großtobelgalerie and to the starting point in Klösterle am Arlberg.

Please note: The tour is part of a protected area "Europaschutzgebiet Verwall". This means, mountain biking is only possible between 15th of June until 15th of October between 7am and 8pm.
