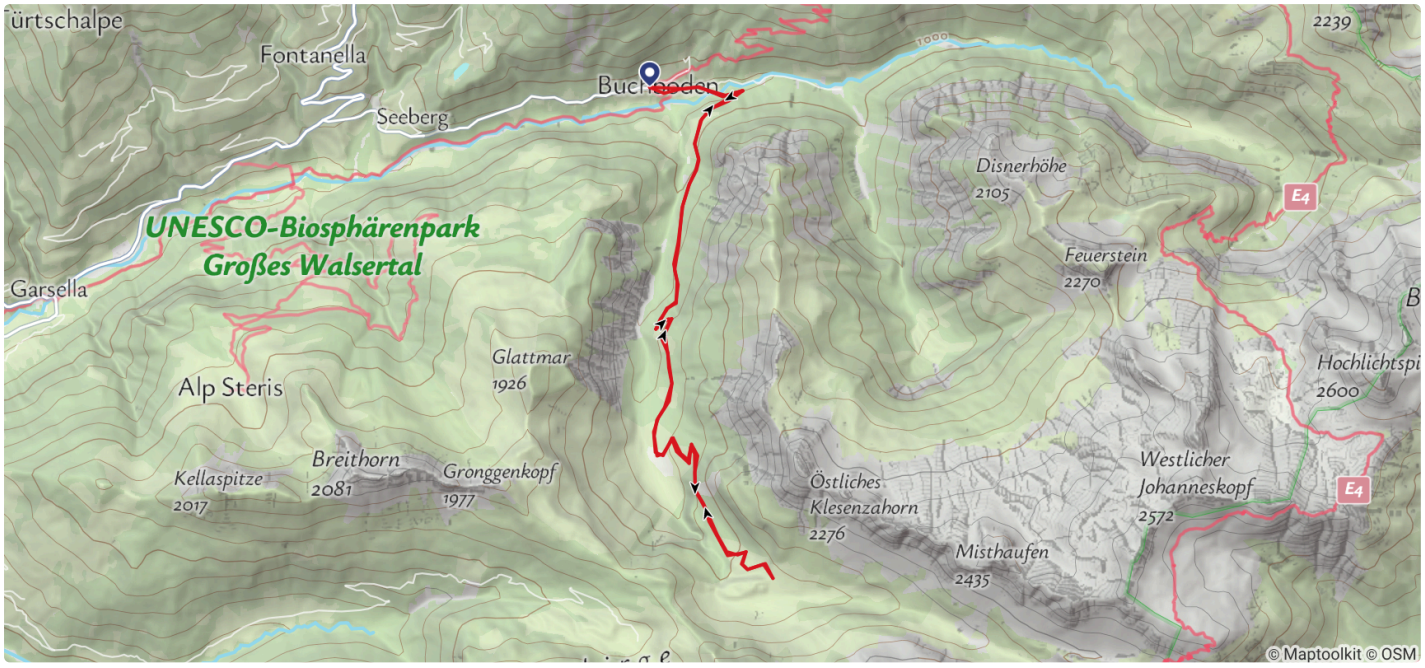
# From Buchboden to Klesenza Alpe | Sonntag-Buchboden

MODERATE | REFRESHMENTS | PANORAMIC | THERE AND BACK



## Tour description

**One of the most beautiful mountain bike tours in the Grosses Walsertal with a breathtaking mountain panorama.**

This MTB route starts in Sonntag-Buchboden and leads from here via the road down to the banks of the Lutzbach stream. From there the tour leads along a forest road into the valley, past the Rindereralpe and the Untere Hutlaalpe to the end at the Klesenza Alpe. It is definitely worthwhile to stop here for a break at the alpine pasture. Return the same way.

**Alternative**
After an approx. 1-hour carrying passage, you reach the Laguz alp and from there you can walk out of the valley to Raggal-Marul or via the Laguz alp to Garmil, on to Sonntag-Stein and back to Sonntag.
