Cowardly High Stand by Marbod Fritsch

On the Alpine Art hiking trail at Muttersberg, eight renowned artists have created their works – each station is unique, shaped by individual perspectives on life in the mountains.

A sky-blue hunting platform before dark coniferous trees: the artwork “Cunning Hunting Stand” seems as if it wants to sneak away. Protection or escape? The work raises questions about our relationship with nature.

Material: Painted steel

Size: 450 x 120 cm
