Scesa Bar & Jagd Lounge at Walliserhof

Between coffeehouse culture, nightlife and living room flair

The Scesa Bar is a place to slow down, philosophize and get together. A huge living room, sophisticated and yet familiar. A place to go and a meeting place where the feel-good factor is right: Cocktails, sweet snacks and barista coffee make you want more, the fireplace crackles in the Jagd Lounge and before you know it you'll feel right at home.
