INN/TAVERN

 Klostertalerstr. 66, 6752 Dalaas

The Gasthof Post, a centerpiece of Dalaas since 1800, has already hosted Emperor Franz Josef and now shines again in its former glory.

Tradition and new heydays The Gasthof Post has shaped the village of Dalaas since 1800 and has witnessed many stories, including the honor of hosting Emperor Franz Josef. After a quiet phase, the inn now shines again as the lively center of our village. Everyone is welcome here, because we stand for honest hospitality, where genuineness and authenticity are paramount.

We live, work, cook, host and celebrate together with our hands, hearts and homeland.
