16. "Obergrechter Muikantentreffen" in Faschina

🕒 Saturday 13:00 o'clock

Musikgruppen in jeglicher Formation aus den Regionen Vorarlbergs und Umgebung sind nach Faschina eingeladen um miteinander zu musizieren

Description

In 'Obergrecht' (municipality of Fontanella) people like to make music and sing. For this reason, the municipality of Fontanella has been known as the 'Musicians' Village' for many years.

Music groups in any formation from the regions of Vorarlberg and the surrounding area are invited to Faschina to make music together. Every musician with an instrument receives a free ride on the PanoramabahnStafelalpe and a snack/drink at the Franz Josef Hütte and Lari-Fari restaurants. There is also a day ticket for the Faschina snow area.

13:00: 'Open Musicians' Day' at the Franz Josef Hütte.

Groups of musicians present themselves spontaneously from their musical side! They make music together, sing, dance and spend a cosy autumn afternoon together.

We look forward to a large audience and many musicians/music groups in any formation.

Continuous operation from 09:00-16:00 on Musicians' Day at the Panoramabahn-Stafelalpe.

The Musicians' Day takes place in all weathers!
