Film description: How do you find a love that lasts? Documentary filmmaker Zoe (Lily James) hasn't found her Mr Right yet, even with all kinds of apps. At least Zoe has a lot of funny anecdotes from her bad dates, but that doesn't comfort her impatient mum Cath (Emma Thompson). For Zoe's childhood friend and neighbour Kazim (Shazad Latif), on the other hand, things are clear. He follows his parents' example and chooses an arranged marriage with an intelligent and beautiful bride from Pakistan. When Zoe accompanies him from London to Lahore with her camera, she not only films Kazim's journey... Translated with DeepL.com (free version)
